A Waldorf-Inspired Public School since 1995

## First Grade Teacher Position

Join our committed Waldorf-trained faculty  
as a First Grade Class Teacher in 2019-2020

Sebastopol Independent Charter School is a K-8 charter school with experienced, Waldorf-trained teachers and a commitment to offering a progressive Waldorf curriculum with integrity. We are the first certified Public Waldorf School by the Alliance for Public Waldorf Education. Sebastopol Charter was the first charter school to provide Waldorf education in the San Francisco Bay Area 23 years ago. We are located on a new 20-acre campus that we own.

We are financially stable and offer a full Waldorf curriculum of strong subject classes. Our school has about 300 students with most of the classes having 32 students. Currently, every class has a waiting list.

We are located in the small city of Sebastopol, in beautiful Sonoma County, 25 minutes from the spectacular Northern California coast and an hour from San Francisco and Berkeley. Numerous K-8 plus two Waldorf high schools, private and public, populate the area, making this area collaborative for Waldorf educators. You won't find a better spot to raise a family, connect with colleagues, fulfill your professional development goals, and hone your craft.

Qualified applicants will have a Waldorf Teacher Training Certificate and a California Multiple Subjects Teaching Credential. Waldorf trained and experienced teachers will be considered if willing to pursue a state credential. Successful previous teaching experience is essential. We offer a very competitive compensation package. Please learn more about us at [www.sebastopolcharter.org](http://www.sebastopolcharter.org).
