### **About Our School**

Our beautiful 11-acre campus sits atop a grassy hill in a scenic neighborhood in the San Fernando Valley. Our children learn, and play surrounded by lush grounds and a variety of trees, with ample space for nature walks. We have a bio-dynamic garden and farm, and an orchard where the children learn to cultivate fruits, vegetables, and other plants. Our campus also has a spacious grassy playing field and gymnasium where the children enjoy a variety of physical activities.

Established in 1955, Highland Hall was the West Coast's first Waldorf School and is fully accredited by the Western Association of Schools and Colleges (WASC) and the Association of Waldorf Schools in North America (AWSNA). Serving children from nursery to 12th grade, we are a solidly established school determined to be exemplary in providing Waldorf education, and in fostering healthy relationships and a spirit of service to others.
