

## **Full-Time Kindergarten Aftercare Teacher Golden Bridges School, San Francisco, CA**

Golden Bridges School is a small, groundbreaking school entering its 5th full school year in September 2017. GBS was founded by Waldorf-trained teachers and currently operates in San Francisco's southern Mission and Glen Park areas, serving preschool through second grade with 70 students and 19 staff members. Next year the school will expand to include a third grade. The school intends to grow into a full preschool-8th grade school.

GBS is taking a fresh look at Waldorf education, asking what the children of today in San Francisco need from teachers and education in general. One major result of this question is the development of a robust outdoor curriculum. The kindergarten spends two days in a rented classroom and three days out in San Francisco's natural parks in a weekly rotation. Two of those days are on a farm that is owned by the school. The grades spend "main lesson" in the classroom and spend the rest of the day in natural parks or at the farm, also having one full day outdoors. Kindergarten aftercare takes place indoors in the Excelsior neighborhood.

GBS is also challenging long-standing models of governance, tuition, teaching structure, and the interplay between the school and the surrounding community. We are also dedicated to becoming an anti-racist school, committed to social justice, internally and externally, that is inclusive and welcoming to all. The staff meets weekly and incorporates anthroposophy into each weekly meeting.

Starting August 2017 we are looking for a kindergarten aftercare teacher. \$23/hour.
