

Santa Cruz Waldorf School is seeking a Grades teacher for the 2019-20 school year.

Celebrating over 42 years, our school owns its campus of seven beautiful acres surrounded by mountains and redwood forest only ten minutes from downtown Santa Cruz and the beach. Santa Cruz is a university town, located on the beautiful Central Coast of California. The Anthroposophical work in Santa Cruz is supported by an active branch, and includes Christian Community services, and a Camphill Community.

Our school's program includes Pre-Kindergarten through 8th Grade, with a wide variety of special subjects including gardening, handwork, Eurythmy, Spanish, music, art and physical education. An experienced faculty, a professional administrative staff, and a dedicated board of trustees are actively working to support this dynamic school. We are also a full member of and accredited by the Association of Waldorf Schools of North America.

Our new colleague will be warm, energetic, and Waldorf trained with a strong commitment to personal and professional development, an enthusiasm for collegial work and dedication to working with issues of diversity, social inclusion and equity. A commitment to working out of Anthroposophy is required.

Interested candidates should email their resume, a letter of interest, and a brief biography along with three references to Susan Goldstein at peddirector@santacruzwaldorf.org. We look forward to hearing from you.
