Seeking TK- 6th grade teachers for THIS FALL

www.sycamorecreekcharter.org

SCCCS is seeking adventurous colleagues who have a pioneering spirit to join us in creating something out of nothing. Founded through grassroots efforts by parents who dreamed of but couldn't afford private school, Sycamore Creek wishes to bring Waldorf education to a wide-range of students, appreciating that variety is the spice of life. Ideally, you will have a multiple subject credential in California and Waldorf training, but we are also open to those who would be willing to do a concurrent credentialing internship program. Someone who is creative, with a strong work ethic, and has the ability to be flexible will fit the bill.

Our Waldorf charter school will begin on a shared site with a district school that is located in a disadvantaged neighborhood in Huntington Beach, (southern) California, with approximately 160 students and grades TK- 6th and grow to 8th grade. The location is just a couple miles from the beaches of southern California and an hour from the snowy mountains in the winter. Our weather is mild year round and the food is diverse and FAB!
