Enjoy Your Stay in San Francisco!

Orientation

The San Francisco Waldorf High School is located in the West Portal neighborhood of San Francisco, close to San Francisco State University and the Sunset District. It is accessible by public transportation (MUNI and BART). The climate in San Francisco is generally mild, although the winters can be chilly and rainy. Temperatures may change suddenly, so plan on checking the weather forecast each day and be sure to wear layers.

The physical address is: San Francisco Waldorf High School, 470 West Portal Avenue San Francisco, CA 94127.

Parking

Parking in San Francisco can be particularly challenging to find. If you plan to drive, **please do not assume you will find street parking. Also allow time to find a parking place and to walk to the school.** We recommend that you take time to do some research regarding parking prior to starting your journey to the San Francisco Waldorf High School campus to ensure that you have the smoothest experience possible.

Metered street parking is available in the neighborhood; however, it is often restricted to 2 hours. Please double check your meter to see if there are exclusions for Sundays and Holidays as these may vary by location. If you park at a meter, you will need to move your car every 2 hours. Parking violation penalties are expensive.

For parking for longer durations, we recommend the following local lots:

West Portal / 14th Ave Public Lot (SFMTA): Located at **174 West Portal Ave.** This is a metered lot just a 4-minute walk from the school.

Ulloa & Claremont Lot: Located at **807 Ulloa St** (near the library), approximately a 6-minute walk away.

Stonestown Galleria: Located at **3251 20th Ave.** While a bit further away (~5-minute drive), it offers ample parking if the local lots are full

Parking apps such as ParkWhiz and SpotHero have been suggested by past attendees as a good way to find nearby parking at an affordable rate.

Public Transportation

There are many public transportation options to the high school campus with Muni and even BART. The **West Portal Station** (K, L, and M lines) is only a few blocks away and is often the most convenient way to reach us without the hassle of parking.

The M and K Muni lines stop right in front of the school (St. Francis Wood is the stop), and the bus lines 28, 48 and 57 drop off in a short walking distance from the campus.

Accommodations

We suggest using peer-to-peer vacation rental websites such as Airbnb or VRBO to look for rentals near the San Francisco Waldorf High School campus. Traffic from outside of San Francisco can vary drastically in either direction depending on the time of day, so please take that into consideration when planning your lodging location and transportation (whether by car or public transit) to and from the conference.

Additionally, since the San Francisco Waldorf High School campus is right near the West Portal MUNI station, attendees can easily stay in areas outside of the direct neighborhood. Below are a few options with their addresses and current average nightly rates. ***Please note: Rates are subject to change based on availability at the time of booking.***
