BACWTT DIVERSITY SCHOLARS FUND APPLICATION

Dear Diversity Scholars Fund Applicant,

Thank you for applying for this scholarship—we are happy to engage with you in this process. At this point, you will have already completed the enrollment application form for the Foundation Studies program or the Teacher Training program, as well as the financial aid application form.

Please write 1-2 pages describing your hopes and intentions of studying at BACWTT. In addition to your personal aspirations, we are interested in hearing your thoughts on the development of Waldorf education to serve a more diverse population. How will being a BACWTT Diversity Scholar impact these plans? This essay will provide the basis for a conversation with the Diversity Committee.
