

# Berkeley Rose Waldorf School

## **EURYTHMY TEACHER for 26-27**

### **ABOUT THE ROLE**

Berkeley Rose is welcoming applications for a full-time Eurythmy teacher for the 2026/27 academic year. Successful candidates will enthusiastically engage students and work collaboratively with colleagues and the parent community to create an educational environment aligned with Waldorf pedagogy, our school mission and program goals. The ideal candidate will have a Eurythmy Training Certification, experience teaching eurythmy or movement to different age groups, and be committed to collegial work and self-development.

**COMPENSATION & BENEFITS:** Full time position. Benefits offered include health insurance (medical, vision, dental), tuition remission, mentoring and professional development opportunities. Current Eurythmy teacher salary is \$67 - 71K annually.

### **OUR SCHOOL**

An Urban School With Heart: Berkeley Rose Waldorf School is a vibrant, metropolitan school, located in a beautiful walkable neighborhood in Oakland, California. We are 3 blocks from an avenue known for its shops and restaurants and with easy access to the greater San Francisco Bay Area with stunning nature in every direction. Our families and faculty are innovative and passionate about providing a holistic education for children.

Founded in 2009, our school serves approximately 150 students from Pre-School programs through 8th Grade, along with parent-child classes and parent education events for the local community.

We welcome students, families, faculty, and staff of all races, ethnicities, countries of origin, cultural, religious, ideological and political affiliations, socio-economic

backgrounds, gender identity, sexual orientation and any other articulation of human identity.

We offer the gifts of Waldorf education to children growing up in a highly technologized culture sorely in need of a developmentally appropriate education that centers on what it means to be a human being. We are actively engaged in developing and advancing our work in Learning Support, Social Emotional Learning and DEIB. The Berkeley Rose faculty strives to model a lifelong love of learning, gratitude and to support the individual journey of every child.

### **Key Highlights & Responsibilities**

- Develop and implement dynamic and engaging eurythmy lesson plans that align with the Waldorf pedagogy and the developmental needs of each grade level.
- Works with the class teacher and other specialty teachers to nurture the class community of students, parents, and colleagues.
- Offer performances of student work and support seasonal festivals and programs which reflect and value diversity and inclusivity.
- Evaluate progress of students and prepare student reports.
- Participate in weekly all staff and grade meetings and committee work and support the greater work of the school.
- Contribute to parent meetings and curricular presentations as requested.
- Collaborate with student support services and colleagues.
- Communicate effectively with parents, guardians, and faculty. Work closely and cooperatively with grades faculty and maintain positive, professional relationships with all faculty and staff.
- Employ effective classroom management techniques that encourage student focus, respect, and participation.

**TO APPLY FOR THIS POSITION:** Please submit your resume along with Eurythmy credentials, cover letter and three references to [iring@berkeleyrose.org](mailto:iring@berkeleyrose.org).
