

Okinawa Steiner School

Seeking a 1st Grade Teacher and Lower School Aftercare Assistants

<https://www.steiner.okinawa/>

Founded in 2022, Okinawa Waldorf School is the only Waldorf school in the Okinawa Islands in Japan. It is located in Nakagusuku Village, in the central part of Okinawa's main island.

Okinawa has a subtropical climate and a history has been affected by overseas, giving it the unique culture unlike anywhere else in Japan.

We embrace Okinawa's rich natural environment, the Ryukyuan language, and traditional culture through the Waldorf curriculum. We also offer an Equine-Assisted Learning program to foster a harmonious balance of mind and body. We strive to help children in Okinawa and throughout Japan develop imaginative thinking, a strong will, and a healthy sense of self.

We would greatly appreciate your support as we continue to develop and grow this newly established school.

Essential

Native-level Japanese proficiency/Japanese, permanent residents holder (**we do not support** in preparing **visa** applications)

A recognized Waldorf Teacher Training certificate. Teaching experience in a Waldorf school or Waldorf educational setting.
