

Spring Garden Waldorf School

Early Childhood Extended Care Lead Teacher

Spring Garden Waldorf School is seeking an early childhood extended care lead teacher beginning in the 2025-26 school year to work with 3 and young 4 year old students.

We are seeking a professional who shows initiative, self-development, and carries an active interest in life. Waldorf teachers are always learning and researching in preparation to create a developmentally appropriate, multi-sensory and challenging learning environment that addresses the whole child-cognitively, socially and creatively.

This is a part-time hourly position with typical hours of 11:15am-4pm Monday to Friday.

The ideal candidate will be a certified Waldorf teacher or possess experience in a Waldorf school. Training and certification are supported through the school. A Bachelor's degree is required. Interested candidates should send a resume, cover letter, and three letters of reference to learn@sgws.org.
