

#### **4th Grade Class Teacher**

Summerfield is looking for a fully-trained Waldorf class teacher to lead the 4th grade class through eighth grade starting the 2022-23 school year! We are seeking candidates who are dedicated to Waldorf Education, inspired in their work, enthusiastic for the challenge, and wish to work deeply out of anthroposophy!

Summerfield is a vibrant preschool through high school community with large class sizes, an invested and supportive parent body, warm and engaged colleagues, seasoned mentor teachers, a working biodynamic farm and an incredible 40-acre campus! We strive to educate the whole child through a rich program that includes practical arts, circus, movement, agriculture, music, social inclusion, artistic work, an active festival life and more. Our students love coming to school every day as much as their teachers do!

The School (est. 1974) is located in beautiful Sonoma County, just 60 miles north of San Francisco. We enjoy an idyllic Mediterranean climate with springtime fields of wildflowers, hot summers cooled by ocean fog, autumn light falling on harvest colors, and wet, green winters. Sonoma County is home to ancient redwood forests, stands of mighty oak, and scenic, rugged coastlines.

Picturesque orchards, vineyards, and dairies abound. Many of our hills and mountains are still truly wild and offer hikers and bikers miles of trails to explore. Sonoma County has also become a haven for food enthusiasts, offering some of the best restaurants and wines in the world. Many local farmers are using organic and Biodynamic methods, with their bounties found in our markets and restaurants. This is the setting our students and families enjoy!

Please email your letter of intention and resume to Michelle Bovard, Human Resources Coordinator at [michelle@summerfieldwaldorf.org](mailto:michelle@summerfieldwaldorf.org). Please also include three professional references (with phone numbers), at least two of whom have seen you teach.
