

**Yuba River Charter School is seeking a Sixth Grade Lead Teacher to join our faculty in the fall of 2021.**

Yuba River Charter School is a thriving, Waldorf Methods Charter School, with approximately 300 students in Grades K through 8. We are located in Grass Valley, in the picturesque Sierra Nevada Foothills of California. Here, you'll find a range of arts and cultural opportunities, abundant outdoor recreation, and some of the best, most innovative schools in the state. Grass Valley and neighboring Nevada City is a place "Where the Past is Always Present"--where a unique blend of colorful Gold Rush history and Victorian architecture are tucked into a breathtaking scenic backdrop, and where you'll find a spectacular place to call home.

After many years and many school sites, our school has realized its dream of land ownership and has built a beautiful educational space on 15 acres for children to create, learn and play. YRCS is moving forward with our plans to house a working farm with animals, outdoor amphitheater, gardens, play fields, outdoor classrooms and space for a full practical arts program.
